

ASBESTOS: ANNUAL LETTER OF NOTIFICATION

Gabriel Richard Catholic High School has had asbestos management plans prepared for our school building. These plans are available for your inspection Monday through Friday during normal school hours at the School Office.

On 4-23-09, a Periodic Surveillance/Inspection was conducted at the school for the condition of asbestos. Accredited inspectors not only checked the condition of asbestos, but reassessed operations and maintenance procedures that will keep this material in good condition.

If you have any further questions, you may contact Mr. Daniel VanWasshenova (734-284-1875 ext. 11) who is our designated person for asbestos.
